four popes who died while having sex
Birchy - Jun 20, 12:01 am
Sorry, but I stumbled across this information and just had to share... 1] Pope Leo VII (936-9) died of a heart attack while having sex. 2] Pope John VII (955-64) was bludgeoned to death by the cuckolded husband of the woman he was having sex with at the time. 3] Pope John XIII (965-72) was also murdered by an irate husband during

**History of USSR / Russia**

Nika - Jun 19, 5:19 pm

Hi! I'm first time in this conference. I'm the historian from Russia (Moscow). My English sounds bad, but if you have any questions about history of USSR / Russia, Slavic countries of East Europe, ex-USSR republics, and also about any historical processes connected with Russia - ask me free, I shall try to help you.

**Himmler Killed by Churchill's Agents??**

95 Thesen - Jun 18, 7:25 pm

~~~~~~~~~~~~~~~~~~~~ Reichsmarshal Heinrich Himmler was considered a traitor by Der Führer because he was already negotiating a surrender to the Allies before Hitler was even dead! If the order to poison Himmler came from an Allied officer, then it was a murder. If the order came from the King or the P.M., then it was an execution
