The farmer and the cowman should be friends
Oh, The farmer and the cowman should be friends

One man likes to push a plow

The other likes to chase a cow

But that’s no reason why they can’t be friends

I’d like to say a word for the farmer
He come out west and made a lot of changes

He come out west and built a lot of fences
And built them right across our cattle ranges

But the farmer and the cowman should be friends
Oh, The farmer and the cowman should be friends

The cowman ropes a cow with ease
The farmer steals her butter and cheese

But that’s no reason why they can’t be friends

Territory folks should stick together

Territory folks should all be pals

Cowboys dance with the farmers’ daughters
Farmers, dance with the ranchers’ gals
