Volunteers Wanted to Preserve the Union!

**Welcome to the Official Web Site of the Third Regiment Infantry,
Maryland Volunteers, Company A.**

The Third Maryland is a Union Infantry reenacting group centralized in Maryland. Our members come from various parts of the country to include Virginia, West Virginia, Pennsylvania, Washington D.C., and Ohio.

Our primary mission is the historical preservation of our nation's Civil War history and to honor our ancestors who fought, and died, during the Civil War to preserve the United States. In pursuit of this goal, the Third Maryland participates yearly in a number of battle reenactments, educational forums, and living history demonstrations. The Third forms under the command of Capt. Ted Brennan, our company commander.

The recreated Third Maryland is a member of a larger organization, The National Regiment. The National Regiment is a battalion-sized organization consisting of various infantry reenacting units all committed to the preservation of our nation's Civil War history. During large events, the Third Maryland frequently joins it's brother regiments, the First Maryland, the Seventh Pennsylvania Reserves, and the Patapsco Guard.

We are always looking for new volunteers to join our ranks. If you are interested in joining Company A of the Third Maryland, have questions, or would like additional information, please click on the Recruits button to the left or, [email us](#).

If you are interested in a Maryland unit, but prefer the Confederate side, please visit the [2nd MD, Co. H, CSA](#) website.
