History/Social Studies For K-12 Teachers

The major purpose of this home page is to encourage the use of the World Wide Web as a tool for learning and teaching and to provide some help for K-12 classroom teachers in locating and using the resources of the Internet in the classroom.

SELECT FROM THE MENU CHOICES BELOW

■ [New location of History/Social Studies for K-12 Teachers](#) ■

■ [Special Announcements](#) ■

■ All of the pages in the History/Social Studies site that were posted on the Cox server have been relocated to the new Comcast destination. Best to bookmark the [Main Menu at the new site](#).

Please do not send requests for me to do research for you! See the Search Tools in the [Research and Critical Thinking page](#), and [Research-It!](#), a one-stop reference desk, [Xplore Reference or Wired Source: Reference Desk](#). I have also found John December's site -- [Welcome to the Top of the Web](#) -- to be an excellent starting point for research.
