Welcome!

Best of History Web Sites is an award-winning portal created for history teachers, students, and general history enthusiasts. BOHWS contains annotated links to over 1000 history web sites as well links to hundreds of quality K-12 history lesson plans, history teacher guides, history activities, history games, history quizzes, and more throughout its pages.

Best of History Web Sites is ranked #1 by Google for "history web sites" and receives upwards of 98,000 visitors per month.

Are you interested in using technology in *your* classroom?

The Center for Teaching History with Technology (THWT) aims to help K-12 history and social studies teachers incorporate technology effectively into their courses. The Center provides a multitude of free online resources, including the [Teaching History with Technology Newsletter](#), as well as workshops and consultation services.
