History Departments Around the World

We hope that this list will help you find ideas for creating departmental web pages, let you look in on or locate colleagues, conduct historical research, or help out with a graduate or undergraduate application. Of course, if you know of a department that isn't on this list, please add a new record below.

To see the entire list, make sure location is set at All, leave the university field empty and click Find.

University:

City:

State:

Location:

All U.S. Non-U.S.

[Suggest a New Department.](#)

New suggestions will not appear in the main search immediately.

For prompt response, please send comments and corrections to the [Webmaster](#)
